

The Harman Accentra Pellet Stove

Accent your home with
the elegance of cast iron.

Grand Performance

The Accentra Cast Iron Pellet Stove was designed to attractively accent your home while providing the technology and convenience of automatic ignition. Simply fill the hopper and set the control to your desired temperature. The Accentra will light itself and warm your home to the temperature keeping it constant by automatically adjusting its flame. The tinted glass hopper lid allows you to see the amount of fuel in the hopper without lifting the lid. Backed by our Harman Gold Warranty, the Accentra is loaded with the highest quality parts and durable cast iron. We are confident that your Harman Iron Stove will make you want to spend more time in the warmth of your home.
