TLC 2000 COAL STOVE

## Function and Utility

The TLC 2000 is a heating powerhouse. It also has unmatched utility—and be converted from a Top Loading Coal (TLC) stove to a wood-burning fireplace. It can even come outfitted with a cooking grill.

Advanced engineering helps the TLC 2000 achieve reduced emissions and up to 48 hours of uninterrupted burn time. A large ash pan and clean-burning performance offer easy maintenance. The TLC also doesn't require electricity, ensuring smooth operation—even during power outages.

Heat your home, enjoy a traditional fire or create a delicious char-grilled meal. The TLC delivers.
